

TAX EVASION POLICY

Our tax evasion policy is designed to ensure compliance with all applicable laws and to avoid any illegal activities that could lead to minimizing tax liability through fraudulent means, such as deliberately understating taxable income or inflating expenses.

PURPOSE

The aim of this policy are:

1. To prevent the facilitation of tax evasion, whether directly or indirectly.
2. To ensure our organization complies with all relevant tax laws and regulations.
3. To uphold our organizational values and maintain the highest level of integrity in all our dealings.
4. To conduct risk assessments, audits, and procedures for identifying and evaluating tax evasion risks.
5. To report and whistle-blow on any suspected tax evasion activities.
6. To encourage open dialogue with employees, stakeholders, and tax authorities to promote compliance and prevent tax evasion.
